

## 2nd German American Energy Conference 2010

March 22 - 23, 2010 in Berlin

### **Daniel A. Yarano**

Chair  
Energy Practice Group Chairman - Fredrikson & Byron

#### **Professional Career**

Dan is chair of Fredrikson & Byron's Energy Practice Group specializing in renewable energy and is a member of the firm's Corporate, Securities, and Mergers & Acquisitions Groups.

Throughout his career Dan has represented and advised public and private companies on a variety of subjects related to general corporate, corporate finance, mergers and acquisitions, corporate governance and compliance with state and federal securities laws. In the area of renewable energy, he has leveraged his corporate and finance expertise to assist international, national, regional and local energy companies, investors and developers in connection with the acquisition, development, and financing of wind, solar and biomass projects.

Dan's wind energy projects account for more than 1,000 MW of wind energy capacity, and wind projects that are currently in process will account for an additional 6,000 MW. Dan's projects are located in Minnesota, North Dakota, South Dakota, Iowa, Wisconsin, Nebraska, Illinois, Indiana, Ohio, Montana, Colorado, Wyoming, New Mexico and Texas. Dan also represents leading wind energy supply and service companies.

#### **Education**

Dan received his B.S. in Education from the University of Michigan, prior to completing his M.B.A. at The American University and achieving his J.D. with a cum laude distinction from William Mitchell College of Law. His Bar Admissions include the State of Minnesota and the U.S. District Court for the District of Minnesota
