

2nd German American Energy Conference 2010

March 22 - 23, 2010 in Berlin

Dr. Michael Blank

Vice President

German American Chamber of Commerce (GACC) Inc., (New York)

Dr. Michael Blank is the Vice President of the German American Chamber of Commerce (GACC) Inc., in New York. In this capacity he has been responsible for developing the area of Renewable Energies into a central component of the Chamber's Consulting Services.

Before he joined the GACC, Michael was Department Head "Auslandshandelskammern/DEinternational" with DIHK, the Association of German Chambers of Commerce, based in Berlin. At DIHK he was project manager of the new service concept and service brand "DEinternational" for all bilateral German Chambers of Commerce in 80 different countries worldwide.

Prior to this, Michael worked with the German Technical Cooperation (GTZ) on establishing its Public-Private-Partnership program. Before that he was consultant at the German Africa Association serving German businesses with a particular interest on Southern Africa.

Michael graduated from the Technical University Berlin, Stevens Institute of Technology, Hoboken/NJ and received his PhD from the Free University Berlin in Management Sciences.
