

## 2nd German American Energy Conference 2010

March 22 - 23, 2010 in Berlin

**Hilary Flynn**  
Project Consultant  
Meister Consultants Group

Hilary Flynn is a Project Consultant focusing on sustainable energy and system dynamics. She has advised electric utilities, government agencies, product manufacturers, engineering firms and financial institutions on renewable energy and emissions markets, energy and environmental policy and business strategy.

Prior to joining MCG, Hilary was a consultant with PHOTON consulting where she was instrumental in launching and managing a monthly retainer service on solar silicon as well as the PHOTON Silicon Price Index. She was also a senior researcher at Prometheus Institute for Sustainable Development and was a policy analyst at M.J. Bradley & Associates.

Hilary has presented her work at conferences in Asia, the Middle East, Europe and North America, and has been published in peer-reviewed journals Energy Policy and System Dynamics Review. She has also written articles for Renewable Energy World, Solar Today and PV News, and previously authored a monthly column in PHOTON International magazine. Hilary earned an MS from Washington State University and a BS from Rutgers University.
