

2nd German American Energy Conference 2010

March 22 - 23, 2010 in Berlin

Kelly Lloyd

General Manager
PNE Wind USA, Inc

Kelly Lloyd holds the title of General Manager and is instrumental in leading the North American Wind Energy Group for PNE Wind, whose ownership is PNE Wind AG. He and his team are responsible for entering into Joint Ventures with other wind developers and also establishing a Greenfield presence in North America with a near-term goal of building utility grade projects and increasing its pipeline to 2,500 MW's.

Kelly started as an accountant with a Danish wind company in California, has previously worked as Fiscal Administrator for the US Bankruptcy Court in Chicago and attained his Certified Public Accounting license in California while working for Deloitte and Touche. Kelly has also worked for a French wind energy company (enXco) including six years as its Chief Financial Officer.

Kelly has 20 plus years of wind energy experience in accounting, finance, management and has been directly involved in the development and sale of over 1,300 MW's of wind energy projects.

PNE Wind's North American operation is focused in the mid-western United States and in Saskatchewan Canada, with its corporate office in Chicago.
