

## 2nd German American Energy Conference 2010

March 22 - 23, 2010 in Berlin

### **Pegeen Hanrahan**

Mayor  
Gainesville, Florida

Pegeen Hanrahan is in her twelfth year of elective service, and her second term as Gainesville Florida's Mayor. She is a registered Professional Engineer and a consultant to the Trust for Public Land's Conservation Finance Program. In this capacity, she helps other local governments develop and fund land conservation and recreational programs.

Mayor Hanrahan has over twenty years of experience and has been the Engineer of Record on numerous projects to remove hazardous contaminants from soil and groundwater. She has worked in landfill design, stormwater management, hazardous waste management, climate change and sustainability. Mayor Hanrahan is past President of the Florida League of Mayors, and serves on the boards of Florida State University's LeRoy Collins Institute, the University of Florida's Reubin O'D. Askew Institute, the Mayors' Innovation Project, ICLEI-USA: Local Governments for Sustainability, the Florida League of Cities, Alachua Conservation Trust and Alachua County Children's Alliance.

Pegeen is married to Tony Malone, a Professional Engineer with CH2MHill. Together they are the delighted parents of Evyleen Mary, 4, and Quinn Joseph, 2.
